 Phone: 209.742.6802 (9-5 Mon-Thu PST) Fax: 209.742.6803

Thank you for requesting my model painting information. I have over 20 years experience in painting model horses including hundreds of prototypes and samples for Breyer, Peter Stone and Hartland Horses. I have taught air brush painting classes at both BreyerFest and Jamboree, and you can read more about me and see examples of my work on my web site: [www.modelhorsejamboree.com](http://www.modelhorsejamboree.com). Look under the [Painted Horse Gallery](#) and [Custom Horse Sale](#) pages. I can most conveniently fit in custom work during the fall, spring and winter months. It would be my pleasure to create a lovely model for you.

Prices vary according to the size of the model and the complexity of the paint job. Below are **base price** estimates for common colors and sizes of models. To get a specific quote to have a model horse custom painted, please fill out the order form on page 2 completely. Photos are necessary when specific markings are desired, the more the better, especially for Pinto and Appaloosa breeds. A custom quote for your model will be sent back to you. The prices quoted at that time will be firm for 30 days and are then subject to change. I take orders about 2-3 weeks in advance, and I generally do not take custom orders in late-June and July. Turn around time is generally 4-6 weeks. Please send a photo or a web page containing a photo of the model you wish to have painted. I am familiar with Breyers, Hartlands and Stones, but I can't keep up with the resins!

Prices are for painting only. You must provide the model to be painted. Quote does not include trimming, seam clean and prep unless you request it. I can prep the model if needed for an extra fee. I ALWAYS Recommend prepping Breyer models as it is detracting to put a nice paint job on a model with rough seams. I also will inspect models before painting if you have prepped them yourself, and may add a fee for extra finishing if necessary. All of my painting quotes include primer, body coat, leg and face markings, hoof color, eye detail and clear coat. Please include all of these details plus any other specifics when submitting your order. You might consider giving me artistic license to come up with a unique and interesting model, if so, please indicate "Artist Choice" on your form and let me know what you don't like :^) Please look over this list carefully and fill out the order form completely. The form is not a binding contract, but will enable me to give you an exact price for your specific job.

I also paint dog, cat and all other animal statues. Please use this form for those also, filling in any extra information.

If after receiving the quote you decide to order the painting, send me

- the horse model
- a copy of the quote
- and
- your payment.

**Checks and credit cards are not processed until the work is done. I do not require a deposit.**

I accept Money Orders, Checks, MasterCard, Visa, Discover, American Express and Paypal. Please add appropriate shipping & insurance fees. Your model will be painted in the order that it was received. Models left in my studio with unpaid invoices for more than 30 days after notification of completion will be offered for sale to the public to cover my costs. To avoid this, **please send payment with model**. Again, checks and credit cards are not processed until the work is done.

The utmost care is always taken in handling models, but I will not be responsible for damage due to manufacturing flaws or shipping breakage. I am not responsible for prep work done by others. Items will be carefully packed and sent UPS or USPS insured. Thank you!
